

Health Safety and Environment (HSE) Policy

Overview

At League we are safe, disciplined and reliable. We act on our responsibilities to identify and remove potential and recognised risk to a health and safe workplace.

League values its employees, contractors, consultants, customer and the environment and communities that we operate and live. We are committed to complying with Health, Safety and Environment (HSE) laws and the voluntary standards to which our organisation subscribes.

The policy is publicly available and communicated throughout the business.

Purpose

This policy sets out League's commitment to providing a safe, healthy environment and experience for its employees, contractors, consultants and visitors. It sets out the minimum requirements to ensure compliance with HSE legislation and related codes of practice and industry standards.

Scope

This policy applies to all League employees, contractors, consultants, customers, visitors, employees of contractors and consultants, persons employed through labour hire agencies and volunteers.

Policy

League's integrated HSE Management System provides the framework for HSE management and continual improvement throughout all our business, products and activities from design, construction and operation. Through the implementation of our HSE Management System, League is committed to the following principles:

- the maintenance of a safe environment and safe workplaces
- the prevention of pollution
- strong leadership and accountability in framing and driving desirable HSE outcomes
- ongoing evaluation of compliance with HSE laws and requirements
- adopting ecologically sustainable development principles
- consultation on issues that may affect an individual's health and safety
- proactively identifying and managing HSE risks, and implementing effective controls and systems of work
- effective management of the processes around land access and statutory approvals
- reducing our energy, water and natural resources consumption and waste generation
- identification and development of strong risk controls
- integrating HSE in the planning, design, importing and manufacture of goods
- providing all necessary supervision, training, instruction, equipment and information to employees and visitors to our workplaces
- setting and achieving HSE objectives, targets and improvement plans
- measuring and evaluating our HSE performance through regular audits, inspections and internal reporting
- recognising outstanding HSE performance
- seeking and respecting community views.

Roles and Responsibilities

All employees, contractors, consultants and visitors are accountable for behaving in a safe and environmentally responsible manner at all times. Every employee, contractor, consultant and visitor has a personal responsibility to comply with this policy and to notify their manager or guide if there is a compliance issues or question.

It is the responsibility of League's Executive Management to ensure sufficient resources are available to implement this policy.

Managers are responsible for:

- ensuring that employees are provided adequate training, information and supervision to perform their jobs safely and have the appropriate equipment
- complying with relevant HSE legislation
- ensuring that any unsafe practice is eliminated
- the day to day management of environmental issues that directly impact their area or responsibility
- encouraging environmental awareness within their area of responsibility.

Employees, consultants and contractors are responsible for:

- performing their work in a safe manner
- taking reasonable care that their acts do not adversely affect the health and safety of themselves, others or the environment in which we operate
- reporting any incidents, accidents or hazards
- undertaking their day to day work in compliance with this policy and any other HSE legislation
- ensuring that any visitors that they are responsible for are advised of the requirements of this policy.

If you become aware of any actual or possible non compliance with this policy, you should immediately report it to your Manager or the Managing Director.

Breach of Policy

Failure to comply with the obligations under this policy may lead to disciplinary action being taken by League in accordance with the Managing Performance and Behaviour Policy or by termination of engagement for contractors.
